step 21.

Attach the wing strut to the slot on the top of the gargoyle body.

step 24.

Completed Gargoyle 3d Puzzle.

## ProjectsandPatterns.com

Congratulations on completing this challenging and unique 3d puzzle. You can now paint, stain, or finish the Gargoyle however you like. You can also just leave it plain wood for an aged look. Cut one out of woods, plastics, mdf, and even metal. To see more 3d puzzle projects, go to: [www.projectsandpatterns.com](http://www.projectsandpatterns.com). We will be adding many more hobby projects to our Projects and Patterns Library. Enjoy!
